**HOLIDAY HOMEWORK
Session 2016-2017**

Class: IV

Dear Parents,

Winter vacation has begun and it's time to have a new learning experience. We have compiled a set of sheets and some activities to keep our child creatively engaged during these holidays. Creativity is a part of our makeup, as we all agree that without it the purpose of work seems to go nowhere. Children must buckle down and satisfy themselves and exhibit their creativity. These sheets are not just fun but will also help our child to learn and observe new things. You must help your child in doing these sheets. You need to read the instructions to help them wherever necessary. There are some activities in which you can also join your child and make the activity more meaningful for him/her. Some points to keep in mind:

- Holiday homework is to be done in the sheets provided. In case any activity requires any extra sheet, please use an A-4 size sheet only.
- Homework has to be submitted on the first day of school after vacation.
- Make sure your child completes the home work before coming back to school and submits the same to the subject teacher.
- Please take care of the neatness of the work.

Have a very happy and fruitful vacation!!!

I. Draw the following shapes. Fold the pieces of paper into two halves and find the line of symmetry and draw it. [10 Marks]

II. Aim: Making code words or messages using numbers instead of letters: [5 Marks]

Many types of codes can be used, the simplest is to use 1 for A, 2 for B,.....as follows:

Letter	A	B	C	W	X	Y	Z
Number	1	2	3			23	24	25	26

For example:

a. 23,1,20,3,8

The underlined group of numbers stand for single letter. Since T=20,W=23,We get the word as:

23,1,20,3,8 = WATCH

b.1,16,16,12,5 = APPLE

Make such twenty meaningful words and write their meaning.

III. Collect ideas from your parents about how they operate their banking account and how they keep a record of their transactions. Also find how they get to know about the balance in their account. During the winter break make your own piggy bank. Note down the amount of money you deposited in the piggy bank every time and also the amount of money you withdrew. Record the information in your own passbook. It will look like this: [5 Marks]
